Site license access to authoritative, peer-reviewed ASME Digital Collection content can be purchased on an annual basis. A current site license provides online access and post-cancellation rights to all materials published during your site license period (usually 12 months). **The ASME Digital Collection** includes:

- **Journals** – 34 current publications - High-quality, peer-reviewed research from leading, and up-and-coming researchers in all areas of specialization within mechanical engineering and related fields are made available through ASME journals.
- **eBooks** – The ASME Digital Collection currently contains over 250 new and classic eBooks. 15-20 titles are added each year.
- **Conference Proceedings** – ASME Current Conference Proceedings – unlimited access to all papers published from ASME’s more than 30 annual conferences. 2008 – present
- **Conference Video Collection** – More than 30,000 engineers attend ASME’s conferences every year. They present 6 - 8,000 papers a year, many with video content. Launched in 2021 with 40+ conferences and more than 10,000 presentations. New content added quarterly.

Archives

- Journal Archive: Content published between 1959-1999
 » *Journal of Applied Mechanics* (archived back to 1935)
- Conference Proceedings Archive: Content published 2007 and prior years
- Journal and Conference Proceedings archives are available online only as a one-time purchase or on an annual subscription basis.
